

# STRAIGHT BOURBON

16% RYE

*whiskey*

This is not your typical bourbon. The round, sweet flavor of corn is elevated by the spiciness of a touch more rye than you'll find in other bourbons. We use only locally sourced grains, handcrafted with care, and aged in charred American oak to create this bolder expression of a classic American whiskey.

Rush Creek prides itself in expertly crafted spirits produced with locally sourced grains in every batch.
